**"Where Action is the Attraction!"**

BY CHAD CHADWICK

Chad and Tina Chadwick would like to express a heartfelt Thank You to EVERYONE who helped out with the re-opening of Antioch Speedway.

“Without you, We wouldn’t be here right now. It is you that have all made this re-opening a possibility.

The epidemic hit and along with all of the rest of the nation, We were placed on “pause”.

However, We didn’t sit and wait for everything to open. While following the orders given to us, we used the time to perform some necessary work down at the track.

Once the green light was given for Antioch Speedway to resume, It was all of you, That made this season a reality once again. You stepped up without question and did what you do best. Everyone, brought in their own talents and skills, You made Antioch Speedway Shine. You are what’s going to bring Antioch Speedway back to what it once was, What we remember from years ago.

We would like to Thank each and everyone of you, The people who worked behind the scenes, The Sponsors, The PROMotions Staff and Crew, The Volunteers, The Drivers and You the Fans. Without you, None of this would have been possible. You are the the ones who are Making Antioch Great Again.

Now, There are some that We’d like to extend a Special Thanks to,
